As a guy I have always dreamed of watching two women together, and when it finally happened, it was better than anything I could have imagined.

Brenda was a 23 year old brunette lesbian that lived next door to me and my girlfriend. My girlfriend, Sarah, is 21, brunette, and has a killer slender figure. Brenda used to have at least 3 to 4 girls over to her place every week and I used to whack off at the thought of what she might be doing with those girls. I didn't think that Sarah was even interested in anything bi-sexual until she caught me masturbating with my ear against the wall that adjoins Brenda's apartment bedroom. I confessed everything, and she told me that she wouldn't mind 'doing it' with Brenda.

The next day when Brenda left her apartment with a laundry basket full of clothes, Sarah and I followed her with our own basket of dirty clothes. At the laundry-mat we started our laundry as if everything was normal and then I took out my Nikon camera, the one I used while on the high school year book staff, and started taking pictures of my girlfriend. I suggested that Sarah give me a breast shot and she gave a shy look at Brenda as if to say 'is it

okay?'

Brenda watched as I took pictures of a partially nude Sarah and then finally said 'Can I join in?' She joined Sarah and started kissing her deeply. Sarah then started to unzip Brenda's jeans and I couldn't believe my luck. Sarah completely undressed Brenda, and Brenda took off Sarah's pants and then proceeded to go down on her. Sarah climaxed in no time and then she returned the favor to Brenda. I asked to join in and Brenda told me that she doesn't screw men but she would like to watch me fuck Sarah... and she did just that.
