

Brenda's Education

I remember when my Aunt Sherry came to spend a few days with my mother and me. My parents separated when I was 10 and my Aunt has been a great help to my mom. Aunt Sherry was five years younger than my mom and had never been married. She was always wearing sexy clothes and was a little on the wild side.

One night while I was doing my homework Sherry knocked on my door and came in. We started to talk about school. I went to a private girls school. Sherry asked me if I had a

boyfriend. I turn red and told her that I was not pretty enough for a boyfriend. Sherry started to laugh. I was ready to cry when she told me I was very pretty and that if the boys did not like me it was there lost. I told her that the girls in my school had bigger boobs than me. With that Aunt Sherry walked over and grabbed my boobs.

"I think you boobs are perfect" She said.

I was kind of frozen there not knowing how I should act to my Aunt feeling me out. She then started to undo my blouse. I was nervous as she started to remove my training bra.

"What are you doing?" I asked.

"Just seeing for my self how nice your little tits are." She said.

My Aunt pushed me on to the bed and threw my stuffed toys on to the floor. I was getting this strange feeling in my stomach while she licked and kissed my nipples. It was the same feeling I got when I would touch myself. I had heard girls at school talking about masturbation and how it was bad. I had done it two or three times and it got me all wet and I thought it felt good. My Aunt was now between my legs and licking my thighs.

I was shocked when she moved her tongue right over my private spot. She then started to rub me through my panties. Her fingers moved in a circler motion rubbing me were I would rub myself when I would masturbate.

"How does this feel Brenda?" Sherry asked. "Do you like what I am doing to you?"

I could not speak. I just nodded my head and smiled. With that sign Aunt Sherry removed my panties and pushed my school shirt up. They were white with a little rose on them. Aunt Sherry went back to licking my bare pussy. It felt so good her tongue was making me feel so good. I was having problems breathing as my heart began to pound faster. I pushed my little pussy hard into my Aunt's mouth as she licked my little bump. As she licked my bump she slowly pushed her finger into me. I was real wet but my pussy was tight. I had never put a finger inside of me. In fact I never put anything inside of me. I was afraid I would not be a virgin. When I started my period. I would only use a pad because then Nuns told us if we used a tampon we would break our cherry and not be a virgin.

I was afraid my Aunt would break my cherry with her finger but this felt so good that I did not want to stop her. My head spanned as my Aunt's tongue moved faster over my bump and her finger moved in and out of me. "Ooooh What is happening to me?" I cried out. "Your cumming Brenda." My Aunt said. "Cum for me Brenda, cum on my tongue."

My body began to spasm as my pussy exploded. I had never came before. This was wonderful.

"That was your first orgasm how was it? Sherry asked.

I was like a freak all I could do was lay there and smile.

She then told me to get up on the bed that she had something else for me. I got on the bed on

all fours with my head facing the wall. I heard Aunt Sherry getting something from her handbag. I turned to see what she was going.

"Don't look, Brenda this is a surprise" She said.

I turned my head back wondering what she was doing. I felt Aunt Sherry climb on the bed behind me. I then felt something being placed at the entrance of my pussy. It was a lot bigger than my finger. I turned my head to see my Aunt with this plastic thing strapped around her waist.

"What is that? I asked.

"It is called a dildo," Sherry said.

"It looks like a boy's thingy," I said.

"Well it is supposed to."

"Are you going to fuck me?" I asked.

"Yes I am Brenda." She said.

"But I am a virgin."

"I know, that is why I am going to pop your cherry. So when you do have sex with a boy it will be easier. Now relax and it won't hurt." She said.

She pressed a little harder. I turned my head and let out a small scream as I felt my pussy being stretched. I had protected my virginity and I could feel myself losing my cherry to my Aunt.

"Relax Brenda. I only have the head part way in. Let me press a little further."

She gave me a second to catch my breath and

get use to the dildo inside my entrance.

After a few seconds she proceeded to push further inside of me as I felt my cherry being ripped. Aunt Sherry pushed deeper into me.

"Did you feel that Brenda? Did you feel that pop? That was your cherry. I just popped your cherry" Sherry screamed. "Now I am going to fuck you. I am going to ram this dildo home."

I started to whimper from the pain but Aunt Sherry told me I will get use to it and proceeded to fuck me deeper.

She the flipped me over onto my back so she could get better penetration.

She got the dildo in further as I started to get use to the pain. I was beginning to like it as much as I liked her licking my pussy.

I could feel another one of those orgasms beginning to build inside of me as my Aunt continued to fuck me.

"Look at me Brenda. Look at me as I fuck you. Do you like what I am doing to you" Sherry asked.

Sherry kept fucking me harder and harder with that dildo. With each stroke she was getting deeper and deeper. I felt my orgasm building while Sherry kept her rhythm going. When my orgasm finally ended my bedroom door opened. My mom was standing there with a smirk on her face.

"Well Sherry is my daughter still a virgin?" She asked.

"Not no more" my Aunt said. Showing her the dildo with traces of my virgin blood. "Your daughter is a hot little bitch. I made her cum twice."
