

Hotel Encounter

(MF, inc, oral)

Andy (andynctx@yahoo.com)

I let him into the suite. Just as agreed, I was wearing the hotel robe and nothing else - that is if you don't count my cock-and-ball spreader.

We went immediately to the bathroom. I had him disrobe me first. His hands were trembling as they wrapped around my hard cock. The feeling of his hands rubbing and cupping my balls was fantastic. I made him stop, and the asked him to strip because he was about to make me cum. I took off the spreader, displaying my bare cock and balls. Naked, we got into the shower.

I knelt behind him, taking his hard cock into my hands, and soaping it along with his smooth, hard balls. I thought it a nice touch that he was shaved so smooth.

With his soapy cock in one hand, I lubricated my finger with a dab of lotion and slid it slowly into his behind.

I let it slide slowly in and out while I jacked off his throbbing dick. Each time I pressed my finger into him, his cock would spasm in my hand. I did him right to the verge of him jizzing all over the shower floor.

We rinsed each other under the hot shower spray, and made sure everything was squeaky-clean. I let him explore me as we towed off - he pressed his fingers into my perineal area while trying to massage my prostate.

Before we left the bathroom, I backed away from him and told him to watch. I put on my favorite cock-and-ball spreader; a black leather T-strap that captures each ball and helps make an outstanding hard-on.

I walked close to him, and examined his hot, hard cock. The cock-head was well defined, fat almost. He was cut, smooth everywhere, even his anus. I massaged and tugged on his dangling balls, then made an "O" with my fingers. I used them to lightly stroke up and down on the shaft of his cock, stopping just below the bulbous cock-head. After a few strokes, I led him out of the bathroom.

On my way from the bathroom to the bed, I put a porn DVD in the player, and turned the volume down low.

In the hotel bed, the both of us completely smooth and fresh from the shower, we began to explore. David moved close to me, facing me, on his knees and straddled my leg.

The tip of his hard cock was pressed against my own, and after a few minutes of this exquisite touching drops appeared. His fluids were thin, and it made his cock-head feel smooth and slick against my own.

I put one hand around our adjacent shafts, then the other and started to stroke both of us together.

Video of Stephanie Swift and some guy played from the DVD player, she stroked and sucked the guy's big cock, which I tried to emulate on David's hard dick.

I had him kneel on the bed, and slid my well-lubricated finger into his ass. My slick, oily finger reamed in and out of David's tight butt, while I stroked his big dick furiously. From time to time, I stopped fingering his ass, and squeezed on his firm ball-sack while stroking his cock.

Every time I felt him about to cum, I stopped and rubbed my cock up against his, stretching him forcefully back towards me. David's cock was oozing cum into my palm.

When I was ready I moved close to David, bringing our cock-heads directly together. I wondered if he was in pain as I bent him towards me. I put some oil onto our purple cock-heads, and began to stroke our cocks together.

After a few minutes of this, David began to shake and I could see a drop of cum at the tip of his dick. I stroked the two of us vigorously and began to squirt my hot cum all over David's cock-head. David too ejaculated, spraying my hand and body with his jizz.
