Jamie watched Karen and John leave, anxiously, trying to think of a good reason to go herself. Jeff's party had long since wound down, and now only he and his friends Kevin and Tim were still there with her. She didn't want to hurt his feelings but she really should be going home, what with her grandfather here and all.

"No, Tim." She pushed his hand away from her breast for the third or fourth time. Her voice sounded quivery, and she blinked at the sound of it. She'd had too much to drink, she knew, but then so had everyone.

"C'monnn Jamie." he whined. His mouth found hers and his tongue darted past her lips.

She pushed him away feebly.

"H... haf tu ghooo." she mumbled.

"You don't want to ruin the party do you Jamie?" Kevin asked mournfully.

She thought blearily about that. She didn't want to ruin the party did she? Wasn't the party over? She thought.

Tim's hand was on her breast again, squeezing it hotly. She shook her head slightly, to clear the cobwebs. She wished someone would open the window.

Kevin dropped onto the mattress on her left side, his hips touching hers, Tim was on her right. Kevin's hand slid over her stomach and

up onto her left breast, pushing it firmly into her ribcage.

Wasn't she... Didn't she have to.. go... or something? She looked down to see her shirt parting, the two boys having unbuttoned it completely. She could see her breasts, half covered by the red and white striped bra, and was glad idly that she'd worn it because the colors matched the shirt.

But then She felt her head pulled backwards. She mumbled a brief confused protest as her head was pulled far back so she was staring up at the basement's low ceiling tiles.

She could see Jeff far above her, looking down and smiling at her. She smiled back. He pulled her back further, so her back bent, her shoulders going over the top of the mattress on the floor as her upside down face looked into Jeff's crotch.

She was uncomfortable, and mumbled something to that effect. Her bra opened, popping aside quickly once released by Kevin's nimble fingers. Her rounded breasts sprang into view, bringing sighs and murmurs of appreciation from the admiring boys.

She laughed suddenly, not sure why. She could breath better now, and the air felt cooler on her bare skin. She tried to move, to straighten her back, but Jeff held her head down, while Kevin and Tim each had a hand on an upper arm, pinning them to the top of the mattress.

She felt hands on her breasts, soft warm probing hands that slid up and down the sensitive surfaces, tweaking her nipples, pinching them slightly and lifting them upward. She felt hands cupping her breasts, squeezing and stroking. It felt good, she thought blearily.

She closed her eyes briefly, her eyes tired.

"Suck this Jamie." she heard. The words came from a great distance. Then she felt something against her face. She opened her eyes. She wasn't sure at first what it was. Then Jeff pulled back slightly and she realized it was his penis, very hard, with a purple head.

"Suck it Jamie." he said, pushing the hot fleshy tool against her lips. She opened her mouth automatically, and Jeff pushed his cockhead past her lips, surprising her and making her struggle briefly.

"Suck me." he ordered, holding her hair tightly, his hand under her ears. She started working on the rigid cock in resignation. She

couldn't move after all, and it was his party.

His cock slid deeper into her mouth, she felt his cockhead pushing insistently at the entrance to her throat. She swirled her tongue around the shaft, then rubbed it up and down, as she sucked in her cheeks and suckled on the prick.

She winced as Tim squeezed harshly on her right breast, his fingers digging deep furrows in the soft white flesh. His mouth closed round her nipple and he sucked enthusiastically.

Kevin slid his tongue up and down her left breast, paying particular attention to her stiffening pink nipple. His left hand slid down over the girl's straining stomach and onto her jeans covered crotch.

Jamie's legs were straining far apart as she sought instinctively to counterbalance the pressure Jeff was putting on her neck, lifting herself slightly upward. Kevin's hand covered her crotch easily, squeezing and rubbing on the small girl's pubic mound.

Tim seized the opportunity which Jamie's slightly raised position granted him. He slid his hand under her behind, squeezing her ass cheeks as he continued to chew and suck on her nipple.

Jeff pushed his cock down deeper into Jamie's throat, despite her muffled protests. He leaned forward, his pants dropping down to his ankles as he shoved his cock into the girl's mouth so his cockhead thrust past her tongue and into her throat.

Jamie strained against their hold on her. She had sucked cocks before but never had one pushed down her throat. Her head was far back though, allowing Jeff's cock to slide directly forward through her lips and down her throat without any obstructions.

Jeff's cock slid down further, shooting a thrill of excitement into his body as he felt her throat around his shaft, and saw inch after inch of his prick disappear into the gorgeous little girl's mouth.

"OOHhhhhhhh Yeahhhhhhhh!" he gasped. "Suck it. Suck it suckit!"

Kevin continued to squeeze and rub Jamie's crotch as his tongue lapped over her breast. He pulled his head back and shook it slightly, his breath coming in ragged gasps. What a set of tits! he groaned. He watched the fat round orb jiggle and bob as Jamie's mouth was reamed by Jeff's cock.

His hand caressed her skin, caressing her body, sliding over her firm

warm belly in delight. His other hand squeezed again on her cunt, not able to feel anything especially through the thick jeans, but delighting too in the mental stimulation provided by the knowledge of what lay beneath it.

Tim undid her belt, and popped the catch on Jamie's tight jeans. He pulled the zipper down, and tried to stuff his hand into the pants. They were too tight. Her widely spread legs, and sitting position prevented him from getting more than his fingertips into the light tangle of hair beneath the zipper.

Jeff began sliding his cock back out of her throat, bringing the head up and out with a pop like a cork coming loose from a champagne bottle. Jamie gasped and drew in a huge shuddering breath of air, which pushed her chest out to Tim and Kevin's delight. Their mouths' returned to her breasts.

Jeff pushed his cock downward again, thrusting his rigid prick deep into her throat tube again, pushing down until he could feel her lips pressed firmly against the base of his shaft.

Tim and Kevin both jerked and yanked on Jamie's pants, tugging them lower inch by inch, dragging her bikini panties with them as they slid over her hips and then down quickly past her knees and off, leaving her naked save for her socks and tennis shoes, and the open shirt which clung to her shoulders still. All the guys took a moment to admire her tight fine looking body.

Then Tim and Kevin's hands fought for possession of her pussy. They jerked her legs wide apart again, each holding a slim calf over their legs as their hands rubbed and squeezed at her newly revealed genitals.

Both of the boys gasped in excitement, their hands sweating as their eyes ravished the lewdly displayed teenage girl's body. Kevin was strongly attracted to the sight of Jamie's thatch of pubic fur and began massaging squeezing her inner thighs and crotch with delight. His middle finger felt the indentation of her slit, and pressed downward.

He bent his finger, pushing eagerly at her cunt entrance. He found the right angle at last, and felt his fingertip slide into her tight hole. He pushed harder, jamming his finger down determinedly. He felt it sink in to the first joint. His eyes gawked at it as it moved deeper, the second joint disappearing.

He could feel her tight grasping pussy around the digit. Felt the burning heat as the finger slid in to the knuckle. He groaned, feeling his erection squeezed in his tight pants as he wiggled his finger around inside her. Abruptly, he came, shooting into his pants as he started to pump his finger in and out.

Tim settled for squeezing and caressing her bare buttocks. His finger found her asshole and dipped in and out as his lips suckled and chewed on her breasts.

Jeff was pumping his cock in and out of Jamie's throat with a slow easy stroke now. Fucking her face as the blonde girl's tongue whipped back and forth over his shaft. Her throat squeezed him tighter than his fist ever had each time he pushed into it.

His eyes feasted on Jamie's nudity, looking down the length of her body beneath him. He pushed one hand down past her neck to her left breast, squeezing it furiously, watching his hand twist the malleable flesh into different shapes.

Kevin was pushing his finger in and out of Jamie's cunt with greater and greater speed. His head bent to her tit, just beneath Jeff's hand, then his tongue slid down onto her belly, stroking up and down, slicking up the hot white skin.

His tongue dove into her belly button, and pushed firmly, wriggling around in the tiny hole.

Jamie's hips thrashed and humped up and down under the furious sexual assault. Her soft buttocks ground up and down on Tim's hand

as she pushed against Kevin's finger. Little gurgles of confusion and pleasure escaped from around Jeff's cock.

Tim turned his eyes upward, and watched Jeff's cock sliding in and out of Jamie's throat with awe. He watched the entire length of the his cock tube disappear down into the blonde girl's mouth, and the lust burned higher within him.

He jerked his pants down and off, his own erection popping up eagerly. "I gotta fuck her!" he gasped, rolling onto her, pushing Kevin aside as his hips ground into Jamie's outstretched thighs.

Kevin drew back slightly to watch, his hand squeezing absently on Jamie's left breast as Tim's form covered the girl.

Tim's cock pressed against Jamie's pussy slit. He grabbed the hard shaft and rubbed it up and down, searching for the entrance to her body. His sensitive cocktip found it and he thrust forward and down, jamming several inches of his fat meaty prick into her belly.

His arms encircled her, his face buried itself against the right side of her neck. His hands slid down her back, onto her soft buttocks. He squeezed tightly, then jerked up with all his strength, slamming his groin down at the same time.

Jamie's body strained and arched back as Tim's fat prick thrust balls deep inside her. She felt his hard cockhead slice far up into her belly as he gasped and bit down on her neck.

He lay atop her for several seconds, luxuriating in the feel of her clapping pussy around his manhood. Feeling every breath of air she took as her soft breasts pushed up against his body. He sucked on her skin, his hands squeezing and kneading her hot ass flesh.

Then he slowly pulled upward, dragging his cock pole reluctantly out of her sucking fuck tunnel until only the head was inside. He held it there for a moment, a moment which seemed like eternity to both of them, then he slammed back down, thrusting his cock up her to the hilt.

Kevin's own cock hardened once more as he watched Jamie's slit envelope Tim's fat prong, watched the entire length of the cock slide into the slim little blonde teenager. His hand continued to squeezed on Jamie's tit as he watched raptly.

Tim began to pump into the girl with a rhythmic thrusting movement. His ass rising and falling, his loins pushing forward and back as he

fucked the girl hard.

His bloated fuckwand sliced in and out of her furiously, bringing astonishing bursts of pleasure to his elated mind.

Jamie groaned against the stiff cock skewering her throat, sucking almost mindlessly on the tool as Tim jammed his cock in and out of her hot fuckhole.

Her belly was sizzling and twitching with desperate desire. Her cunt burned like it was afire, and her every nerve ending vibrated and pulsed. She could feel the delicate walls of her pussy tunnel opening and closing as Tim's cock moved in and out of her.

Her breasts throbbed and sparked atop her chest, especially her left breast, engulfed in Kevin's clutching hand. Her nipples were like hard little pebbles as her excitement shot higher and higher toward a climactic release.

She sucked furiously on Jeff's cock, her tongue whipping against it as it slid up and down through her mouth and into her throat. She could do nothing else to help her fiery delirium pass. Her arms and head were still pinned down, her left leg was held firmly in Kevin's grip, and Tim was pushing down on her right leg, using it as leverage as he bounced atop her.

Then she swallowed reflexively as liquid spurted down into her throat. Again and again she swallowed, gulping down wads of cum as Jeff jammed his cock into her and sprayed her mouth and throat with hot sticky fuck juice.

His furious pounding against her face raised her now hypersensitive body a notch higher into orbit. Her skin now one big erotic erogenous sexual tool. She could feel every minuscule touch against it. Could feel Tim's cock plunging inside her, his hands gripping her ass, the smooth fabric of his shirt covering her, Kevin's hand squeezing her tit, his hand holding her leg across his lap, Jeff's cock buried in her throat, his hands in her hair.

She exploded into a monumental orgasm, that made her writhe and shudder against the hands and bodies pinning her down. Her ass bounced up and down on the mattress, lifting Tim's body up and down with it. She jammed her pussy upward onto his pole and screamed around the cock filling her mouth and throat.

Jamie's wrenching cum, made her cunt erupt in sizzling spasms that squeezed and pulled his prick down into her deepest depths, and

sucked the cum juice right out of him.

Tim came with a bang, fire-hosing his jism around in her belly, flooding her with his hot semen as he pounded his cock inside her.

Jamie gave a final wrenching lurch upwards with her hips, shoving her ass a full six inches off the mattress, before dropping weakly back in exhaustion.

Jeff staggered backwards, pulling his softening prick from between her lips and letting loose of her head. Tim collapsed atop her, both of them gasping for breath.

He lay there for a minute regaining his strength, then got shakily to his knees, then his feet, moving away and grabbing feebly for his pants.

Jamie lay sprawled there, her legs still outstretched, her head tilted back against the back of the mattress. Her body was drenched in sweat, her hair tangled around her face and head in a messy stringy pile.

Kevin leaned forward eagerly, his tongue flicking out around the nape of her neck, his mouth closing, chewing, sucking. Jamie groaned, disoriented and weary. She rolled over to her right, Kevin following as her head slid down the mattresses side until she half lay on her side.

Kevin's hand's raced over her body, probing, squeezing, fondling. He shoved his hand between her legs, rubbing and caressing her skin along her inner thighs and groin.

He sighed at the sight of her bared ass cheeks, so round and soft and perfect. His hands closed on the pliable flesh, squeezing it delightedly. He slid his hand up and down the cleavage between her buttocks, his fingers passing over her crinkled little anal opening.

"Got a nice ass on her too." Jeff sighed, looking down from above.

"Fuck her in the asshole Kev." Tim urged.

"Oh wow! You're sick!" Jeff grinned.

"No man! You never fuck a chick in the ass? It's incredible!"

Kevin rolled Jamie over onto her stomach, lifting her legs up and pushing them under her, shaking her a little to bring some life into her drunken body.

"On your knees Jamie, come on!" He demanded, slapping her on the ass a couple of times.

"Oww!" she complained sulkily.

"Get on your fucking knees. I want to ass fuck you!"

Jamie didn't really hear the words, though she realized he wanted her on her knees. She complied, pulling her legs up under her, but then couldn't keep them straight and sagged down so her face and shoulders pressed into the mattress, and her ass stuck up by itself. He didn't care he just picked her up and hugging her small body, tried to jamb his tool into her butt.

"Stick it in her cunt first to get some lubrication." Tim advised.

Kevin dutifully prodded the girl's muff with his engorged cock and then gasped in satisfaction as her pussy enveloped and swallowed his meaty fucking tool all the way to the hilt. He began sliding in and out slowly, enjoying the luxurious sensations of pleasure traveling up the shaft of his cock and deep into his belly.

Jamie murmured in happiness, glad to have her cunt filled and used again. She was only half conscious, most of her awareness focused on her pussy now. She grunted weakly each time Kevin thrust himself into her.

Then he slipped out and pressed his cockhead against her little asshole. He exerted more and more pressure on the tiny opening, his cockhead pushing aside her sphincter muscles and sliding into her. Once the cockhead was inside her tight gate, he could feel the ass tube itself squeezing and sucking on it.

Jamie whined in complaint, discomfort and pain piercing her muggy brain as Kevin's prong slid deeper into her. She squirmed weakly, knowing only the location of her pain and trying to crawl or jerk away.

Kevin had a good hold on her though, his fingers were locked around her waist, just above her hips. He held tight as he worked his cock into her with little jabs and wiggles.

"Fuck this is tight!" he wheezed.

"Told you." Tim smirked.

"Can she take the whole thing up there?" Jeff asked doubtfully.

"She'll take whatever you give her." Tim sneered.

"Put your hand under her and rub her pussy." he advised.

Kevin slid his right hand down over her belly and between her legs. He cupped her pussy and began stroking and squeezing it, bringing a sigh of happiness from the girl.

His cock seemed to overcome some kind of barrier inside her rectum as it stopped pushing and sucked on his shaft instead, pulling it deeper inside. He pulled back and her active asshole squeezed and pulled it down again.

"Her asshole swallows your goddamned cock!" he marveled.

Tim nodded knowingly.

"I wanna screw her next." Jeff said.

Kevin began fucking into her in earnest now, pulling his dick out and thrusting it back in, speeding up the length and speed of his strokes until his body was jerking her forward and back with the impact of his hips against her ass.

All three boys excitedly watched his red meat stick slicing in and out of the rounded anal opening. He locked his fingers together under her belly and pulled, lifting it up, pulling her off her face.

"Put your hands down Jamie! Get on your hands and knees! he enthused.

Jamie blinked wondering what he wanted. Tim stepped forward and placed her hands on the mattress as Kevin lowered her, and then held her arms in place for a few seconds until she held the position herself, swaying slightly from side to side.

She looked around dizzily for a few seconds, then her head, lowered weakly until her hair completely obscured her head and face from them and her eyes blinked open and closed at the mattress.

Kevin began sliding his penis up and down her ass chute again, loving the feeling of her claspng rectum around his shaft and cockhead. The force of his strokes rocked the small girl forward and back, and only his hold on her kept her upright.

Tim moved forward then, too excited by the scene to stand idly by. He knelt in front of Jamie, and grabbed a fistful of her thick tangled hair, jerking her head up until her face looked into his groin.

He brought his cock out again and pressed it insistently against her lips until she opened them and his cockhead could enter her mouth.

He pushed forward, jamming his cock deep into her mouth and then down her throat as the girl struggled in confusion and bother. "Suck it baby! Suck my prick!" he cursed, pushing his cock deeper into her throat.

Jamie had little choice but to swallow the fat fuck pole, her tongue wiggling around it like a butterfly caught in a jar.

Kevin increased the force of his fucking thrusts, sending his cock spearing up her asshole with tremendous force and rocking her body forward, helping Tim to drive his cock down into her throat.

Her mouth worked mindlessly over Tim's cock as her body reacted instinctively to the fucking penis shooting up and down her asshole.

She shuddered and pulsed with sexual excitement, her skin flaring hotly.

Then Kevin gave a shout and drove his cock deep into her rectum. His fingers dug painfully into her sides as jism spewed out of his cocktip and up into her bowels. Her spasming asshole sucked and swallowed the sperm, squeezing more and more out of him until he was drained dry and knelt exhaustedly behind her, his prick slowly softening.

Tim started sliding his cock in and out of her mouth and throat, reveling in the new sensation of having his cock encased in a girl's throat. No girl had ever deep throated him before.

Kevin pulled away from her and Jeff hurriedly took his place. He jammed his cock into her cunt hole, pounding it up her quim with furious strokes as his eyes watched her asshole winking seductively at him.

His hands slid up and down over her ass cheeks, caressing the soft skin, then traveled up along her spine to her shoulders, clutching them for leverage as he fucked into her.

Raw sexual energy flowed through them as the three humped and mashed together. Jamie pushed her ass back against Jeff's thrusting prick as her mouth worked over Tim's juicy red dick.

Jeff watched, squeezed the girl's pulpy crotch mound between his fingers, marveling at the softness and heat of the velvety smooth skin, and the silkiness of her fluffy golden pubic hair.

He was on the verge of coming and knew it. He pulled out of her suddenly bringing a sigh of disappointment from the heavily stimulated girl. He pressed the tip of his prong against her anus and thrust deep impaling the whimpering girl.

Jamie felt this new and different penetration break into her rapidly escalating spiral of sexual gratification. It slowed, but could not stop the build up of heat within her belly and brain. The pain was ignored, overwhelmed by the lust within her.

Her body arched, then gave a massive shudder as her cum exploded from it's source deep in her loins, to envelop and encompass every fiber of her mind and body. She thrashed and shook as waves of sexual ecstasy poured over her.

It was all the two boys could do to keep her in place as she writhed

and danced between them. Jeff's cock reamed out her asshole as she quivered and trembled, and then more cum spurted into her anus as he came with her.

He could feel each individual spurt of jism as it exploded out of his cock and drenched her insides with it's salty white tang.

Tim was drawn into their sexual firestorm He grunted as his cock blasted his seed deep down her throat and into her belly. He jammed his tool down her throat to the hilt, his hands tight around her head as he pushed his juice spewed into her.

Spent, the boys all fell back onto the mattress and floor, and Jamie started to upchuck all over them. Gallons of upchuck!

Some weeks later Jamie saw the pictures that were circulating around school. She couldn't believe that they had taken pictures.
