

# Jennie's Black Lover

*Story by  
C. Fowler & K. Becker*

Hi my name is Cecelia, and this is our story...

About two months ago my girlfriend (Jennie) and I advertised in a swinger's magazine for a well hung Black stud to have sex with.

You see Jennie and I have been in South Africa for several years now, having moved from London back in 1995. We're somewhat gay, and general prefer girl sex to any other kind. But have we also have always had this fantasy about doing it with a well hung black man.

Well about two weeks ago we received an envelope with a picture of a young good looking, tall Black stud who had a 10 inch cock and wanted to join us in our fantasy.

We contacted him and arranged to meet at our place the following night. When

he arrived I thought Jennie was going to cum write there on the spot. His name was Frank and he was better looking in person than in his photo. I wanted to jump his bone right then and there.

We drank some wine and discussed how our evening would be spent. Jennie told him that she wanted to do a strip-tease for him, then she would satisfy him several different ways.

I went right to the heart of the matter and told him that I wanted to swallow his dick, and I added that if it was as big at the outline in his pants made it look, my wish might be pretty impossible.

Frank was glad to go along with us and we smoked a joint of some good herb to relax a little before getting started.

Jennie is a real fox with a super hard body, her hair is brown and short and she has a really nice pair of tits, long slender legs and perfectly shaped tight ass. I'm not a slouch myself, but Jennie is beautiful and I knew that our black stud was tuning into her vibes as we sat on either side of him on the couch.

Then the time finally arrived and Jennie went to the bedroom and returned wearing a white wire bra, white garter belts, white silk stockings and lace white panties.

She approached Frank and knelt in front of him and removed his huge cock from his pants and sucked it into her warm mouth. She played with his large balls and stroked his long thick shaft while she bobbed her head up and down on his prick. She would lick the underside of his staff and swirl her tongue around the head of his dick while looking up at him and grinning from ear to ear.

Frank said "Wow I never thought I'd have two white women in one night and at the same time too!"

I leaned over and covered his mouth with mine slipping my tongue between his thick lips, while I placed my hand on top of Jennie's head to feel her rhythm as she bobbed over his swollen dick.

After a few minutes of cock sucking, Jennie stood up and bent over in front of Frank and exposed her round white hard ass to him, she slid her hand back and inserted first one then two fingers in her moist pussy and started finger fucking herself.

"You like this Frank"? Jennie said, "you like my white, tight ass baby? You wanna fuck me in it don't you Frankie?"

Frank's cock was standing straight up and I gripped it with one hand and began to slowly jerk him off, while with the other I pinched my nipple as my arousal reached a fever pitch. Jennie was turning me on just as much as she was doing for Frank.

Jennie walked over to the couch, bent over the arm and slid out 8 inch vibrator into her pussy. She shoved the fake cock in and out slowly at first and then faster as she got hotter.

"Ohh Frankie, I can't wait to feel your big black cock slamming in and out of my pussy, I want it bad, I want you to stuff my cunt with your big, hard Black cock baby. Come on Frank, if you want me your gonna have to come and get me baby."

I was ready to knock her to the floor and eat her pussy until she begged for mercy, but I concentrated on Frank's big hard dick instead, leaning over in his lap and licking the head of his manly cock. He sat back into the couch in seventh heaven, as pretty little Jennie continued to talk "dirty" to him, promising him all sorts of delights from both us girls.

Frank began to twist and turn in his seat as I began to bob faster over his rigid baby maker. then as if jealous; Jennie pulled him by the arm, out of his seat and out of my mouth. I fell back on the couch and watched them as she guided his throbbing shaft past her parted cunt lips with her hand and rammed his ten inches of manhood deep into her wet pussy.

Frank started to frantically fuck Jennie from behind, I was amazed at his stamina, but after a few minutes he pulled his cock from her pussy and sat down on the couch facing me.

Jennie wasn't going to let him off that easily and straddled his dick and sat down on him as she faced me also. Frank's cock slid all the way into her love pot until his balls pressed against Jennie's ass.

She leaned back so I could get a better view of his absolutely gigantic cock as it slid in and out of her now dripping wet love hole. She raised her cunt until the head of his dick almost slipped out then she slammed back down on it forcing it deep inside her.

I reached down and fingered her large swollen clitoris with one hand and

Frank's balls with the other while he pinched and twisted away at her erect nipples.

Jennie was moaning with pleasure and I was increasing the tempo on my now throbbing clit as they came to a head.

Frank leaned Jennie forward and off the couch onto the floor and she spread her legs wide open and pushed her ass as high into the air as she could.

"You want to fuck my ass with your big fat cock don't you Frankie?" Jennie said. Frank just nodded and kept bouncing her over his erect pole as he kept fucking her.

Jennie reached for a tube of KY jelly setting on the coffee table. She turned around and squirted the lubricant all over Frank's cock until it was thickly coated with it. She then turned back around and told Frank to squirt the KY in her ass hole.

I grabbed the tube from her trembling hand and inserted the tip of the tube in her anus and injected the jelly in her tight ass until it oozed out of her hole. I was tempted to suck it back out of her with my lips, but knew that this was her big opportunity with a man, so restrained myself from doing it.

Frank groaned as he inserted his middle finger and went to work loosening her

back door to accommodate his long, thick member. Jennie looked up at me and said "I want you to come here so I can suck your cunt babe."

I looked at Frank and he said come on and get some. I knelt on the couch in front of Jennie, she quickly lowered her mouth down onto my painfully hard clit.

Frank continued to finger fuck her anus and now had two of his black fingers darting in and out of her creamy white ass.

"I want you to fuck my pussy while Frank fucks me in the ass said Jennie, I want it all, both of you, I want you to fuck me hard, fuck me fast, make me cum. Frank pressed his huge cock against Jennie's ass hole and glided it in slowly. Jennie gasped as he entered her and moaned with pleasure. Frank waited a moment for her ass to accommodate his cock and then pressed forward until half of his cock was buried in her anus.

Then my honey girl turned her dreamy eyes to me, "Come on babe fuck my pussy hole." Jennie said and I strapped on the dildo that we had used a million times before and slid between her legs and slid the fake cock head up and down the full length of her dripping wet slit. She forced one of her tits into my

mouth and I nibbled and lightly bit her on the nipple.

Frank was now completely buried in her ass and Jennie was thrusting back on his shiny prick. The smell of sex was in the air and Frank's balls were slapping against Jennie's ass as he continued to fuck her hot little shit hole. I guided my cock into her wet cunt and she reached down and fingered her clit as I entered her with one long thrust.

"Ohhh fuck meeee you hot stud, fuck me you sexy bitch, I love two cocks in me, Fuck me... fuck me... ohh fuck me harder..." Frank slapped Jennie on her ass and she began to rock back and forth on our cocks, his real one and my latex one. I could feel Frank's swollen cock as I pumped in and out of Jennie's pussy, it jostled for room and threw me off my rhythm for a moment. I was so turned on watching Jennie getting fucked like this I felt myself coming from the dilo's other inserted end rubbing against my own clit.

"I'm gonna cummm... God, you fucking bastards are gonna make me cum!" cried Jennie.

Frank slapped her on her ass again. "You like it up the ass don't you, you little fucking whore... don't you?"

"Yes!!" screamed Jennie, "I fucking love it... I love it."

Jennie closed her eyes and I could tell that the muscles in her pussy were contracting around the dildo as she shook in a violent orgasm.

"I'm cumming, you fuckers you're making me cum. Fuck my ass, fuck my cunt, give me those fucking cocks you fucker!" Jennie kept yelling at the top of her lust crazed voice.

Frank pulled his cock from Jennie's ass and spun her round, pulling her away from my strap-on. I watched with interest as she stayed on her knees facing Frank as he stroked his oversized cock furiously at her. I was fascinated at how lust crazed my lover was with this man. I had no idea she could get in to guy so much.

"Cum on my face Frank, let me taste your cum baby, shoot it all over me," she screamed.

And with the tip of his cock shoved hard between his fingers, Frank shot a stream of white hot cum that was six inches long into the air. It landed on Jennie's neck, face and chest. A long slow motion string that slowly sagged down her pretty body.

Then another stream shot from his huge black cock, this time landing all over her face and hair, then another stream that soaked her face with more hot, thick cum. I couldn't believe my eyes when ANOTHER long, sticky stream came shooting out of him. 'Would this guy ever run out of sperm?' I wondered.

As the third jet of cum sot free into the air Jennie opened her mouth wide and the creamy love juice shot directly in her mouth.

Finally Frank let out a loud groan and shot yet another helping of cum down Jennie's throat. I was mesmerized.

Jennie pulled at his cock and milked his last drop from the head of his organ and licked it clean. She turned to me and without words gave me a long lingering deep kiss to share this black man's come with her faithful lover. I was touched, and I orgasmed again as I felt Frankie's slippery cum slid down my tongue.
