**My wife Karen and I were in this scuzzy adult book store and I had gone into one of the peep show booths, leaving my wife still browsing the porn.**

**When I came out my wife was behind the counter kissing this black guy and rubbing her hand all over the bulge in his pants. I could see everything as well as several other guys that happen to be in the store. This black guy had his hand on her ass while he kept kissing Karen and didn't even notice I was watching them.**

**By this time the other guys in the store were getting a free show. Karen loves to tease and put on a real show for the guys in the store. She was telling The black guy that she wanted him to come back to our hotel room and fuck her. She was telling him how wet**

she was and wanted to feel his hard cock inside her.

By now they had full attention of the small group of guys in the store that were trying hard not to look like they were watching. Karen had on one of her business suites which reveals lots of cleavage. By this time the black guy had moved his hand around to the front of her suit and was cupping one of her full breasts. From the side you could see him rubbing her nipple.

I was standing back trying to pretend I was reading a book and had the biggest hard-on watching my wife getting her tits touched by this black man out in public. Karen kept kissing him and I could see his tongue coming out and entering Karen's mouth.

Then I noticed they were playing with a strawberry lubricant. He would put some on his finger than into his mouth and Karen would suck it off his tongue. This playing back and forth went on for quite some time.

When the store closed Karen asked the black guy came back to our hotel room with us. It didn't take long after the first drink, he and Karen were on the bed kissing and laughing and playing. I was surprised at how big the black guy's cock was. Karen loves them big and didn't waste anytime getting this one in her mouth.

The guy had brought along the strawberry lubricant with him and kept putting it on his cock for Karen to lick off. I had to go the bathroom to piss and by the time I came out he was fucking the hell out of her pussy and she was thrusting down to meet his every thrust.

When he did cum inside her, you could see his cum gushing out around his cock as he kept driving hard inside her. When he finally pulled out, the guy poured some of the strawberry lub on Karen's gapped pussy lips. They started kissing again and he brought his hand up to his mouth to lick the mixed lubricant and cum off his fingers. Then he stuck his tongue out and Karen sucked on it too. This went on for at least 10 minutes.

Then the black guy asked me if I was offended by him fucking my pretty little white cunt. I said no, Karen was enjoying herself and I liked to watch.

Karen really got off eating her pussy cream mixed with the black guy's cum and the strawberry lubricant from his tongue. She wanted to do it again so he obliged and did some more finger-fucking and tongue sucking.

Karen had had a few drinks too many and kept going for more. She sat on his face and he ate her pussy then she turned around to kiss his open mouth again. Then still going strong, Karen climbed back on his stiff rock hard black cock and rode him again until he shot another load deep in her.

They played with the lubricant mixed cum again, and the black guy kept digging his

finger around inside Karen's stretched pussy and bringing up gobs of there cum to his mouth and then having her lick it from his tongue.

I must say, I've seen Karen fuck a lot of guys but this guy really had her loose that night. She climbed on top of him two more times until he finally came in her pussy again.

This had been one hot night. I got off twice watching them fuck and share there mixed cum.

Before we left the hotel in the morning we invited him to join us for Thanksgiving weekend. I was just as excited as Karen when he accepted our invitation.
